Wednesday, March 26th

Depart for RVA

Rounds: Total of 3 competitive rounds

Costs: Down payment of \$400 was charged to your Foundry bill in February. Total costs should come in less than \$2,000 but this is a slight guess.

Final Bill will consist of:

- Three nights of lodging at Pine Needles
- Three rounds of golf
- Three dinners

Other Expenses:

- All F&B that is not related to the dinners will be at your own expense. This includes breakfasts, lunches and drinks. The structure of Pine Needles does not work the same as Dormie Club so one big tab is not possible. Please do not charge items back to your room to keep these expenses down and easy to split up at the end.
- Cash for betting.

Rooms: We have a mix of single and double occupancy rooms at the Lodge at Pine Needles.

Transportation: Please work with the other members of our trip to arrange transportation down to Southern Pines Golf Club. We can find contact information on the next page of the others on the trip. Our first round is at Southern Pines so please make sure to go straight there. We will check into Pine Needles after the round.

Rules & Conditions of Competition

Competition: We will have both individual and team competitions. Both events will be 54-hole competitions running concurrently

Entry Fee: \$100 per player (will be split 50/50 amongst the two competitions)

Individual “Horse Race” – Stableford Quota:

Your index will be used as of Wednesday, March 19th and you will be assigned a quota of points to attain via the Stableford scoring system. Your assigned points will be 36 points minus your current handicap. Example, a 6 handicap would need to get 30 points.

Stableford Points:

Double Bogey or worse- 0 points (pick up!!)

Bogey- 1 point

Par- 2 points

Birdie- 3 points

Eagle- 4 points

Each day your quota will be adjusted by one half of the previous day's total over/under your quota. Let's assume the 6 handicap scores 28 points the first day, his second day quota would be adjusted up to 29. If the 6 handicap scores 32 points, his next day quota would be 31. The adjustment should allow everyone to stay in the game. We will keep track of how everyone is doing plus or minus their quota with the highest plus player winning the Horse Race!

Horse Race Payout (total purse- \$1,200):

1st Place- \$500

2nd Place- \$250

3rd Place- \$175

4th Place- \$125

5th Place- \$100

6th Place- \$50

Team Matches:

3 rounds of Match Play competition- There will be 24 total matches with each match being worth one point. Any ties will result in splitting the point.

Thursday- Four-Ball Match Play (6 matches)

Friday- Four-Ball Match Play (6 matches)

Saturday- Singles Match Play (12 matches)

First team to 12 ½ points will be victorious and double their money!

Teams: We want to thank our esteemed captains from last year, Bill Curley and Scott Peterfy for doing a tremendous job. However, we have a different spin on the captains this year as professionals, Mike Morrone and Adam Kauzlarich will act as captains for this year's battle. They drafted teams and a President's Cup style format was used to determine the pairings and matchups as well.

*** Tees are listed in order of how they will be played- Southern Pines, Mid Pine, Pine Needles*

Ties: If there is a tie for first place in the Horse Race or the team event ends in a tie, then all ties will be broken on Tuesday with a TBD playoff.

Other Rules:

- You may play lift, clean and place in your own fairway
- Putts “inside the leather” may be picked up
- While putts can be conceded during the team matches a putt outside of the leather must be holed if you are going to score points for the individual Horse Race.

Hole-In-One Bonus Pool: If a player makes a hole-in-one while on site, the remaining other 23 players must pay said lucky fella \$50 American. Those 23 guys will then hammer the bar tab the rest of the day to make sure the euphoria of the accomplishment hurts at the end of the night!
