

Titleist Custom Golf Ball Program

As an added benefit to your membership at The Foundry Golf Club, we offer you the option to participate in our Member Custom Golf Ball Program. This program is designed to provide both convenience and value to those members who take advantage of it. You have the opportunity to create your own personalized Titleist golf ball and the professional staff will be responsible for ordering and maintaining your golf ball inventory. Golf balls will be stored in your locker and your inventory will be checked at the beginning of each month to ensure you have plenty of balls readily available. The minimum order is 3 dozen for personalization and 12 dozen for a logo. When you're down to 1 dozen golf balls, we will automatically order you 3 dozen golf balls with your chosen personalization. Email golfshop@foundrygolfclub.com or fill out the order form to ensure we have you on our Custom Golf Ball Program.

Customization process:

- Select a Titleist golf ball (Pro V1, Pro V1x, AVX, Tour Soft, Tour Speed, Velocity, or TruFeel)
- Choose your personalization or logo (Name, nickname, initials, etc)
- Decide on an imprint color (black, blue, green, red, or pink)
- Pick your preferred number (1 through 4, 5 through 8, or all one number- 00-99, only available on Pro V1 or Pro V1x)

Member Glove Program

This option is in place to provide its participants with convenience and valued pricing on golf gloves. Participants can choose their preferred glove of choice and the professional staff will be responsible for ordering and maintaining your personal golf glove inventory. Golf gloves will be stored in your locker and your stock will be checked at the beginning of each month to ensure you have gloves readily available for your rounds of golf. When you have 1 glove left, we will automatically order you 6 more gloves. Email golfshop@foundrygolfclub.com or fill out the order form to ensure we have you on our Member Glove Program.
